

Highly driven Political Science PhD student with over 5 years' experience in qualitative and quantitative research projects.

RELEVANT EXPERIENCE

Graduate Research and Teaching Assistant

University of Texas at Dallas

Aug 2019 — Present

Richardson, TX

- Developing a quantitative research design to study the variations within protest campaigns. The study will introduce a new method of measuring fragmentation and unification in protest campaigns and assess their impact on their overall success.
- Collaborating on a quantitative research project to understand the socialization of violence within the Rwandan genocide case.
- Taught a class on American National Government [GOVT 2305] at an instructor level.

Research Assistant

Institute for Research on India and International Studies

Sep 2016 — Dec 2018

Delhi, India

- Applied mixed-methods research (historical research, survey analysis) towards the “Global Governance of Knowledge Production” project to highlight contributions of scholars from the global south in high-index Western journals.
- Managed an ICSSR-sponsored research project on, “Reworking the Knowledge Structures in International Relations: Some Indian Contributions”. Coordinated event agenda, logistics, and communication between academicians. Assisted in organizing an author's workshop and the final conference of the project
- Conducted literature review to establish the ‘Delhi School of Transnational Affairs’, the first virtual platform at the University of Delhi.
